CONGRESSMAN KENDRICK B. MEEK

April 20, 2010

Dear Sir/Madam:

I am delighted to provide this letter of support for Generation Nexxt Youth Sports Network, an organization that strives to identify, encourage and promote the academic and athletic achievements of our youth while working toward the betterment of their future.

Generation Nexxt uses their media assets to honor families and the respective communities who support the dreams and aspirations of our youth. Generation Nexxt Youth Sports Network is aired on CBS 4 on Sunday mornings, the day after the majority of all the high powered youth football games have just been played. Their 30 minute show wraps up all the big game highlights, football and cheer interviews conducted by their own youth anchors, academic all-stars, game of the week, coaches tips by National Football League players, health tips, and Beyond the Gridiron. Beyond the Gridiron is a special weekly segment on how the lives of student athletes impact others beyond just playing a sport.

Moreover, Generation Nexxt production a full color, weekly publication that covers all youth football and cheer leagues. They also have a website that averages over 200,000 page views on a monthly basis and is one of the fastest growing youth sports social networks in the nation.

Sincerely,

KENDRICK B. MEEK
Member of Congress
